Together We Change Lives

Wish Lists and Tuition Assistance

Support Our Schools and Families

Parents of students in Vision of Hope schools make significant sacrifices to pay tuition, but their contributions do not cover all costs, and each school has needs beyond what parents can afford to pay. “Wish lists” in the annual Book of Dreams offer donors the opportunity to address specific needs of our schools.

If you would like to support tuition assistance at any one of our schools, we recommend you consider the following amounts based on the average tuition charged for all eight schools:

- \$4,000 covers a full year of tuition
- \$2,000 covers a semester of tuition
- \$1,000 covers one quarter of tuition
- \$400 supports a month of tuition

You may designate your gift to a specific school or you may give to the Vision of Hope Tuition Assistance Fund, which provides tuition support for all eight schools.

To donate, click on the designated link on this website. You may also mail a check to Vision of Hope indicating the school and items you want to support, or mail your check directly to the school.

***Thank you for supporting Vision of Hope's Book of Dreams.
May God bless you and your family.***
