

"I Am"

by Cesar C. (grade 5, St. James School)

I am who I am
I like to be indoors, sometimes outdoors
I like to go out in adventures, and look at animals
I like to change my mind and also define
I like to learn more of what I can
I am who I am

I am who I am
I can be free to be who I am, I have the right to be what I am
I can help others in need no need to be mean
I can change lives and make them better I am a go-getter
I can be more useful like water and lava forming land because
I am who I am

I am who I am
I am like a feather being guided through the wind because I like to change my ways and find new paths to freedom
I am a kid not a expert so don't ask me about what you should do because I am not you
I am Herobrine – a mystery to unfold
I am a friend to nature and want to protect it so come along and don't regret it
I am who I am
